Alcatraz Chemicals is an ISO 9001:2015 & 14001:2015 certified company established in Vadodara, India. Over the last 33 years we have become the leading manufacturer of Specialty Chemicals and Intermediates for Pharmaceutical and Metal Finishing Chemicals In India. In 2018, we have further developed some new high quality Intermediates for Pharmaceutical and Electronic applications and all these developments are a result of our in-house R & D by the dedicated team.

ENVIRONMENT FRIENDLY SUSTAINABLE MANUFACTURING TECHNIQUE

Turning ideas
Into Reality

Our wide range of products are being exported in bulk to China, Japan, USA, Germany, France, Italy, Spain, Brazil, Argentina, Thailand, UK, Switzerland, Colombia, Turkey and South Africa. This has been possible because of our impeccable quality management system that guarantees exceptional quality products with prompt delivery.

ALCATRAZ CHEMICALS

Our core manufacturing strength is in the field of Sulfonation and we are manufacturing a variety of Sulfonic, Disulfonic and Trisulfonic Acids and their various salts. In the range of Sulfonic Acids, we are the only Indian company offering the full range of Methane, Ethane, Benzene and Toluene Sulfonic Acids of high purity.

⊗ Methyl Methane Sulfonyl Acetate	[CAS No. 62020-09-1]
⊗ Ethyl Methane Sulfonyl Acetate	[CAS No. 4455-15-6]
⊗ (Methyl Sulfonyl) Acetyl Chloride	[CAS No. 56841-99-7]
⊗ Methyl Sulfonyl Acetone	[CAS No. 5000-46-4]

Our top quality production is assured by our vigilant QC & QA departments. Apart from our Quality Management teams we have an enthusiastic R&D Department which boasts of three PhDs in Organic Chemistry who strive to constantly develop new products and optimize our current products to make our Chemistry environment friendly.

Success Through
Innovation & Quality

We currently have two units for production in the state of Gujarat, India. Both having numerous Glass Lined Reactors with capacities ranging from 100 L to 3000 L capable of handling reactions requiring both high and low temperatures, pressure and vacuum and manufacturing carried out with strict compliance to environment protection laws, zero waste, maximum utilisation of resources and using State of Art technology for treatment of process water ensuring minimal wastage.

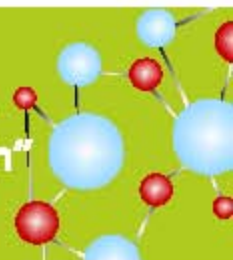

ALCATRAZ CHEMICALS

The quality of our products along with highly competitive prices, makes it a good business sense to source these products from Alcatraz Chemicals. The company keeps sufficient stocks for prompt shipment to customers worldwide, using best shipping lines for quick deliveries. We also undertake manufacture of Specialty Chemicals under Agreement of Secrecy for individual customer specific requirements.
